

January 27, 2012

Below are anticipated construction activities for the week of 1/30/2012.

****While this list encompasses numerous construction projects, it does not list all DPW projects throughout the county. The most recent work is highlighted. Also, weekend work is possible on all projects. We ask for motorists' patience and caution while driving through construction sites. All work is weather dependent.**

CENTER TOWNSHIP

Crews will be working on traffic signals and related equipment on 16th Street from Dr. Andrew J Brown Avenue to Roosevelt Avenue, and on Dr. Andrew J Brown Avenue from 16th Street to 30th Street.

Restrictions may be in place within the area bounded by Pogues Run Trail to the west, I-70 to the north, Bolton Avenue to the east, and 21st Street to the south while drainage improvements are underway. This project also extends into Warren Township.

Traffic signal improvements will take place next week at the intersection of 30th Street and Emerson Avenue. This project is on the border of Warren Township.

Indianapolis Cultural Trail: A Legacy of Gene & Marilyn Glick

The pedestrian lighting and paver work under the Conesco garage on Virginia Avenue will not be complete for the Super Bowl. The sidewalk in this same area will reopen on January 27 through the Super Bowl. The traffic taper on Virginia Avenue over I-65 for southbound traffic will be in place over the winter months. On the Central Corridor (Washington Street), no work should take place until after the Super Bowl.

Georgia Street

Georgia Street has been transformed into the Super Bowl Village, and all lanes from Capitol Avenue to Pennsylvania Street are closed. Please visit the project web page at <http://www.indy.gov/georgiastreet> for additional information.

PIKE TOWNSHIP

Replacement of the bridge deck and railing on the 56th Street bridge over Eagle Creek is underway. All lanes have been reopened and will remain open until March 1, 2012.
